VOLUME 1

New Monthly Newsletter for Safety First

Safety First has begun publishing a newsletter. This newsletter will feature all our current and upcoming events, and also will highlight any announcements for Safety First.

The newsletter will be published monthly and will be available to staff, students and the general public. We encourage all staff members to feel free to distribute the newsletter to prospective clients as well.

There are some exciting changes ahead which include but are not limited to marketing and promotion of our programs, all of which promise to make 2009 a banner year!

Congratulations to our new Courage Quest Grads!

Our Courage Quest held on January 17, 2009 was a great success! We had a total of seven students, all of whom successfully graduated the program.

Congratulations to our newest grads: Maureen, Wanda, Kim, Theresa, Amy, Sarah and Jackie.

A heartfelt thank you goes out to all our G-Teams for the hard work that they do. A profound thank you goes out to all our support staff as well.

Steve Taylor is the new Vice President of Safety First

Steve Taylor has accepted the position of Vice President of Safety First. The position was recently held by Safety First co-founder, George Warnell.

Steve brings a wealth of experience to his new position. In his new role, he will be an invaluable asset to the administration of Safety First.

New Staff Members

Safety First welcomes our new staff members Mike Garcia and Jackie Washington. Mike will be joining the G-Team at Safety First. He is currently in training and will be in armor for the next Courage Quest on March 21, 2009.

Jackie Washington will be the new G-Team aide and Systems Troubleshooter at Safety First. She will be an assistant to the G-Team during Courage Quest and will also ensure that all technical aspects of our program are running smoothly.
